Dear Ms. Gallagher:

On behalf of Qualitest Pharmaceuticals, we would like to request an in person meeting with applicable individuals at DEA Headquarters to discuss the following topics:

- Recent organizational changes affecting both our Huntsville, AL and Charlotte, NC locations
- Suspicious Order Monitoring System (SOMS) progress following our March 6, 2013 meeting
- Site investments to enhance our security and mitigate risk
- Quota status update since our face-to-face meeting on November 27, 2012
- Expansion plans for our Charlotte facility – registrations & quota considerations

Along with myself, Qualitest intends to have the following individuals in attendance:

Don DeGolyer, our new Chief Operating Officer
Sanjay Patel, VP Supply Chain, Procurement & Logistics

We would like to request that the meeting occur in the September timeframe if possible and that representatives responsible for Quota and SOMS be present from DEA. It would probably also be a good idea to include our Birmingham Group Supervisor, Pat Millier since she was involved in the previous SOMS discussions.

There are a lot of updates taking place at Qualitest and we are hoping to get the opportunity to highlight some of them for you and to solicit your feedback on others.

If you should have any questions regarding our planned content, please do not hesitate to contact me. We look forward to hearing from you soon regarding the possibility of our meeting in September.

Sincerely,
